# WHY CHOOSE DASCO CONSTRUCTION?

Our people are employed by us, having both the skills and experience to do a thorough job, quickly and efficiently meaning, you can procure with confidence.

## **Social Housing**

Our team of local tradespeople are both highly skilled and experienced, completing both planned and reactive maintenance and refurbishment works across the social housing and commercial sector.

## **Groundworks**

We're reliable, proactive, and our muddy boots stay outdoors! Providing planned and reactive groundworks services for clients who need a comprehensive and fully integrated construction service.

## **FIRAS**

We're conscientious and thorough, providing clients with complete reassurance that the fire protection we install is correct to specification and will provide the required level of fire protection. Supply through to installation.

## **Rail**

Building trust with the rail sector we complete planned works & reactive maintenance on the Transpennine Route Upgrade. Reliably covering all aspects of internal refurbs & external groundworks with minimal disruption.

***OVER 20 YEARS OF EXPERIENCE***

# **Community Focused Dependable Construction**

Striving to be the best social housing maintenance & planned works organisation in the Northwest of England

NEWS

### **Dasco Construction Builds For The Future With Tough FUSO Canter Tippers**

Guest article: Ciceley Commercials. When Dasco Construction wanted 'proper little trucks' to replace less robust van-based vehicles, the FUSO Canter stood up to the task. Wigan-based Dasco initially took two Canters then returned with an order for a further three, which were delivered just before Christmas – all were supplied by the Bolton outlet of
