WE BUY TELECOM EQUIPMENT

[Home](#) » We Buy telecom equipment

Looking to sell your unwanted equipment? **We buy back your old telecom equipment! We can offer you cash or credit for it, we mean it no catches straight swap!**

Whilst we strive to help you extend the life of your communications equipment, we're more than happy to take your unwanted equipment off your hands. With our telecom buyback service, make the best of your old equipment!

We purchase all sort of telecom products such as phones, systems, optical transmission equipment, servers... We are particularly interested in [Avaya](#), [Cisco](#), [Ciena](#), [Mitel](#), [Polycom](#), Infinera, Marconi and [Nortel](#) items.

For further information about our telecom buyback services please contact us. You can fill in the form below with a list of the equipment you would like us to buy, we will get back to you within 24 hours.

Please attach here any picture of your equipment

It's also highly supportive of any environmental initiative you may be operating or working towards as it shows you to be recycling your old electrical equipment, effectively handing over all responsibility for recycling to Ghekko. All of your equipment will be wiped as we understand the importance of safeguarding your private information.
