[Learn More](#)

firas

As firas-certified installers, we continue to demonstrate compliance with industry standards and material/product manufacturer installation instructions in order to ensure the safety specifications of our clients are met.

- Composite doors
- Timber fire doors
- Fire door maintenance
- Penetration sealing

[Learn More](#)

Rail

Working on the TRU (Transpennine Route Upgrade) we are undertaking all aspects of internal refurbishments and external groundworks to support the electrification of our rail line.

Easier to use facilities at stations mean more people will benefit from supercharged connectivity between towns and cities across the Pennines, and beyond.
