## Comprehensive Logistics Management Services >>

P & H Contract Services is a Private, Limited Company which was established in 1987 by the current owners and Directors.

We provide comprehensive Logistics Management Services

**across a diverse range of industry sectors.**

Strategically located warehousing is available, to provide a National distribution capability utilising our overnight, inter depot trunking network. Whatever the activity or contract, we apply the same high standards of our customer service from initial consultation through to the interim Project Management and final implementation.

## Fleet

Our fleet of vehicles has been specified to enable us to provide the best possible distribution solution for our customer. The range is large and comprehensive, reflecting the differing market sectors and operational demands.

## Warehousing

With sites strategically placed giving ideal access to the motorway network, P&H warehouses are perfectly placed to offer secure, high quality storage facilities with all the benefits expected from a substantial nationwide distribution company.

## Technology

We have our own Technology Department. to support and maintain a variety of systems for several clients. Additionally, bespoke Warehousing and Distribution systems have been built by distribution operations professionals, with the benefit of their hands-on experience.

## Security

In an age of consumer driven technology and fashion we recognise the need for a high level of security. P & H have taken every conceivable step to ensure the security and integrity of your stock be it in transit or in store.
