About Us

Bradley Fold Garden Centre is a Family owned business, providing a range of both practical and beautiful products. Our departments include:

Indoor and Outdoor plants

From Cacti to spring bulbs, to flowers and trees in full bloom, Bradley Fold has plants for many different types of terrain and soils. Whether you're looking to sow a traditional English rose, or branch out into raising exotic orchids, our plant experts will do their best to answer your queries so you (and your beautiful plants) can go home with peace of mind. We sell:

- Seasonal Bedding and Basket plants
- Hot house and indoor plants
- Trees and climbers
- Exotic plants and feeds, such as bonsai, orchids, acers, cacti etc.
- Water Features, sculptures and ceramic pots
- Composts for all purposes, and much more!

Indoor plants can be found coming through the front entrance, and outdoor plants are under the tunnel, expanding out into the gardens.

Fencing and Paving

No garden is complete without a walkway to admire your beautiful plants from, and a fence to protect them from the wind or to afford some privacy. We have a range of wooden fencing, trellises, aggregates and paving to create your perfect path or patio. Keep an eye out for Multibuy offers for the best value! The fences and aggregates can be found in the furthest end of the outer garden.

Sundries

The most beautiful flowers in the world aren't going to last long without food, protection from the elements or a slug attack. Our Sundries department has what you need to make the most of your Garden, including:

- Feeds
- Seeds
- Weed killers

- Pest and insect control
- Plant supports and pots
- Hanging baskets and accessories
- Wild bird food
- Gardening tools
- Weather protection and coverings

...And much more. Our experienced staff are ready to help you find what you need and advise you in how to best utilise your products.

Sundries is located in the glass house and next to the Pets Department.

Water Features

Large or Small? Tradition or talking point?

In our water feature selection, there's something to suit every budget and style.

- Indoor and Outdoor features
- An array of different and beautiful designs
- Sculptural and traditional fountains
- All of our fountains are installed so you can see how they work and look before making your decision

The indoor options are next to house plants, and the working outdoor installations are in the glass house.

Pets

We love our animals, great and small, and Bradley Fold has what you need to keep your little friends as healthy and happy as possible. We stock products for and sell many kinds of animals, including:

- Fish (Tropical and pond varieties)
- House Birds
- Hamsters and other rodents

- Lizards and Tortoises
- Rabbits and Guinea pigs

We also sell live insects, high quality Dog and Cat food and accessories, plus much more. Our compassionate pet staff can offer advice on the best nutrition for your animals, as well as help answering questions about behaviours that may be confusing or a cause of concern about your pets.

Some animals are not for sale for various reasons, but are loved and well cared for by our staff, such as Bradley the python, a family of marmosets, and the live-in birds: Beauty, Ronnie and Olaf.

Indoor and Outdoor Furniture

There's nothing like inviting your friends over for dinner, the long awaited barbecue (rain or shine), or just putting your feet up when it all gets too hectic. Thankfully, the furniture can cater for any occasion or budget. We stock:

- Indoor and Outdoor dining sets and chairs
- Recliners and camping chairs
