Website: www.sunlife.co.uk

SunLife's straightforward and affordable financial products and services are designed to meet the needs of the over 50s.

With roots going back over 200 years, SunLife was the first to offer life insurance without a medical, and today is the UK's number 1 for over 50s life insurance.

Products & services

SunLife offers a range of plans and content to meet the needs of the over 50s market – from life insurance and equity release, to articles and tools that make later-life planning that little bit easier.

Over 50s life insurance

SunLife's over 50s life insurance is designed to give customers peace of mind, knowing their loved ones will be taken care of when they die.

Guaranteed Inheritance Plan

The Guaranteed Inheritance Plan is life cover from SunLife that guarantees to pay out, leaving a nest egg for customers' loved ones after they're gone.

Equity release

SunLife's equity release service can help customers to access some of the cash tied up in their home, to be used however they wish.
