Sectors Painting & Decorating

## Painting & Decorating

**Our Painting and decorating division have the expertise to deliver the complex and diverse internal & external projects within the commercial, residential and industrial sectors throughout the UK.**

We work in partnership with our clients to ensure that the works are meet to the quality standards required in the time scales specified and minimising any disruption. Each project is individually risk assessed and managed by our Senior Management team who oversee each individual project.

We provide a management and site team with the appropriate skills and experience to meet the demands of each project, which means we are able to deliver large commercial or residential schemes but also have the capacity to deliver smaller packages of work and bespoke projects.

The sectors we cover are:

- **Hotels**
- **Residential / PRS / Student Accommodation**
- **Schools / College / Universities**
- **Commercial – Offices / Retail**
- **Industrial – Warehouses / Factories**

As experienced commercial decorators, we can help with specification, colour choice and finish. Together with our technical expertise we can provide you with the ideal painting and decorating solution to meet your expectations, budgets and maintenance life cycle.
