## Payments for Corporates

Make and receive payments efficiently and streamline processes with our integrated payments and cash management solutions

### Speak to a Relationship Manager

To get you to the right person we need to ask you a few questions.

[Start](#)

## Making & receiving domestic payments

Flexible, cost-effective and secure solutions for making and receiving domestic payments via online banking, host to host services or API connectivity.

[Read more about making and receiving domestic payments](#)

## **Making & receiving international payments**

A range of services to meet your international cash management needs. From making and receiving international and SEPA payments, to providing a consolidated view of your bank accounts held around the world, and the ability to move those funds to meet your treasury requirements.

Find out about making and receiving international payments

## Online services and API solutions

Our online services help you keep in control of your finances. A range of connectivity options from online banking to host-to-host and API will help you streamline business processes, allowing your staff to focus on other tasks.
